New Zealand Motorhome insurance.

We, _____, hereby confirm the representatives of Goodlife Motorhomes have explained to us that 3rd party car insurance is not mandatory in New Zealand and that any damage caused will be claimed against the excess as stated in the contract until the damages have been paid by the other parties or other parties insurance if applicable.

We are also aware that, in case of AA assistance the AA will ask for a credit card and 65\$ or 140\$ (after hours and rural) will be deducted for the callout. This charge will be reversed by AA in case of a mechanical breakdown. This fee is payable in the event of a “non-mechanical” breakdown. (e.g. flat tyre or battery). In case of GL3 full insurance, the fee will be refunded by Goodlife Motorhomes.

We understand that windscreen damage is at the customer’s risk. Unless full insurance cover (GL3) is taken, repairable stone chips are charged at 100\$ per chip, window breakage at the replacement price.
